

NEW CAIRO BRITISH INTERNATIONAL SCHOOL

The School

New Cairo British International School is a prestigious non-profit making independent school. It serves the international community of Cairo as well as host country students who wish to take advantage of our high quality educational provision. NCBIS is a co-educational school, broadly following the National Curriculum of England and Wales. We are a non-denominational school catering for children of Nursery age (3+) through to 18 years. The academic year is split into three terms (semesters) namely September to December, January to April and April to June. The majority of teachers are UK qualified and the language of instruction is English. 95% of our teachers are recruited directly from the UK.

The Campus

New Cairo British International School was re-located in September 1998 to a purpose-built campus in New Cairo City (Kattameya). We have a very spacious campus and offer every conceivable facility expected of a fast moving and ambitious school, including tennis courts, football pitch, running track and heated swimming pool. A school bus service is also available to serve most areas of Cairo.

Secondary

In our secondary department, GCSEs are offered and a wide range of A Levels are available for Post 16 studies.
