Dear parents

I am writing to inform you that one of our staff members, Mrs. Jenny Scruci, passed away last night after a brief illness.

Mrs. Jenny joined the school in August last year and has worked with nearly all the primary classes in her role as a support teacher. She has been a very popular member of staff with her vibrant and endearing personality. Her husband, Mr. Emad, also works at NCBIS as an assistant teacher in the PE Department.

Many of our students, particularly those in the primary school, will have known Mrs. Jenny very well. Your child may come home asking questions about her death and may show some signs of distress.

Children are generally very resilient, and normally in these circumstances they move on quickly if they are given the chance to discuss any feelings of grief or sadness should they voice these. Please do not hesitate to contact your child's class teacher if you feel a need in relation to this.

The school is providing support to Mr. Emad and his family and has communicated the school community's sorrow at the loss of Mrs. Jenny.

Yours truly,

Martin Van Rijswijk
Principal
